Upcoming General Membership Meeting

As *Spring* has arrived, please join us for an outing to **Dallas Arboretum** on April 21st. Experience Spring in full bloom as we visit the Arboretum for a tour of their beautiful gardens and an opportunity to take a moment to *"stop and smell the roses"*!

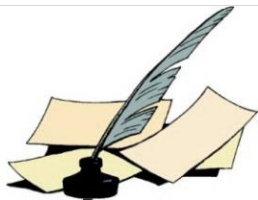

This will be a great time to invite a friend or just have a brief getaway to mingle and meander through the gardens with fellow club members. Plan to arrive at the Arboretum at 10:30 am. If you would like to carpool or caravan, meet at Parker City Hall at 9:30 am to head to Dallas. Pre-book parking online for a discount if you plan to take your own vehicle. Admission is \$13pp or \$10pp for over age 65. Please call or text me to reserve your spot as a head count is needed to ensure our group discount. Lunch will be on your own after or feel free to bring a picnic if you choose. I look forward to beautiful weather and seeing you there!

President's Corner

This membership year is quickly wrapping up! I can't begin to thank the Membership and the community enough for the support throughout the year! At the April Board meeting, the officers had the pleasure of discussing how the funds raised this year would be spent in support of our Parker community. **It was agreed to donate \$10,000 to the Parker Volunteer Fire Department!** We are extremely pleased to be able to once again donate this generous amount. It all comes down to the tremendous support from the membership and the community. The PWC will make the formal presentation to the PVFD at a City Council meeting in May. Additionally, \$5000 has been allocated to the PWC Scholarship Fund, a donation to the Parker Police Department will be made, and there are a few other items to benefit the City, particulars of which are being worked out. More details will follow in next month's newsletter! *Stacy Patrick*

March General Membership Meeting

Mix *St. Patrick's Day* with a great venue, over **100** people, an awesome band, dinner, drinks, dancing and a chance to win some great prizes and the end result equals = **SUCCESS!** Our first reverse raffle fundraiser, *Winning O' the Green*, held at Event 1013 in Plano was a great night! Guests arrived to a festive mix of green & white décor sprinkled with shamrocks, balloons, lucky coins & a bit of sparkle. As this was our first event of this kind, many attendees weren't quite sure what to expect. We learned a bit later we should have more thoroughly

explained the process, but by the end of the evening most understood your ticket would be announced as a winner or you would see your chance was lost by viewing the display above the band.

And talk about a BAND! The *Clay Potter Band* was FABULOUS and kept guests entertained as they dined and danced while the festivities of who would win the big prize rolled through the night. Tickets were eliminated randomly and various winners of additional prizes led up to the finale of drawing for the top 7 prizes ranging from \$50-\$2,500! A lot of work went into planning the event and pre-selling the limited 250 Raffle tickets at \$50 each. Thanks to all who helped and/or purchased tickets as well as attended the event. We hope one and all enjoyed the evening and will support us next year as we intend to repeat the event with a few improvements!

A big THANKS to Deborah Pierce, owner of Event 1013 for generously allowing the use of such a great venue! Also thanks to Urban Crust for working with us on our catering needs and Nothing Bundt Cakes, Kroger & Market Street for donating desserts and additional food trays. This was a true team effort and we appreciate their support allowing continued support to our community. What a *fabulous* evening and congrats to all the winners!!

Outreach

Happy Spring! Outreach continues to work with the Angel Tree Families. There are funds that still remain from donations that will be used for the families. For Easter, gift cards were purchased and delivered to both families. Communication continues to see if there are other specific needs that will help the families. If nothing is determined, gift cards will be purchased with the remaining funds and given to the families by the end of May.

To thank the PVFD and police department for their work within our City, PWC will be providing dinner for both departments. You should have received an email about the dinner scheduled for April 19. Entrees, vegetables, desserts, paper goods and more are needed. Signs ups are through a website: *"Sign Up Genius."* This website is an easy way to see what is needed. All details will be on this sign up. If you have any problem accessing the website please email Devra at parkerwomenscluboutreach@gmail.com.

Please notify me if you or someone you know is ill, having surgery, etc. so PWC can reach out to those in need.

Lunch Bunch

Napoli's Pizza and Restaurante - This longtime neighborhood favorite restaurant served us generous portions of homemade Italian food and allowed us to use their private Party Room. We met on a Tuesday because of another club's charity fundraiser that Wednesday, so attendance was down a bit, but the meals were fabulous!

Our final restaurant selection of the year is **Wild Salsa**, a new Mexican restaurant in Fairview, offering great shopping at either the Fairview or Allen malls. Be sure to look for an email in your inbox with more information.
