

GREAT AMERICAN CLEANUP

Where: The Preserve (next to City Hall)

The City of Parker boasts a beautiful greenway known as **the Preserve**, just adjacent to City Hall. It's a great place to walk, play or rest. It also **collects trash** over time - and you can do something about it!

When: Saturday, March 28th, 9am-11am

Join us in front of Parker City Hall. We'll stroll over to the Preserve and clean up any litter and debris we see. Trash bags, gloves and such items will be provided, as well as water bottles.

Are you a student looking for **community service hours**? We'll be glad to give you a signed community service form.

Are you in? Let us know.

RSVP at <https://parkercleanup.rsvpify.com>. We'll see you there!
