CITY COUNCIL MEETING
SEPTEMBER 3, 2019

CALL TO ORDER – Roll Call and Determination of a Quorum

The Parker City Council met in a regular meeting on the above date at Parker City Hall, 5700 E. Parker Road, Parker, Texas, 75002.

Mayor Lee Pettie called the meeting to order at 7:00 p.m. Councilmembers Diana M. Abraham, Cindy Meyer, Ed Standridge and Patrick Taylor (arrived at 7:43 p.m.) were present. Councilmember Edwin Smith was absent.

Staff Present: City Administrator Luke Olson, Asst. City Administrator/City Secretary Patti Scott Grey, Finance/H.R. Manager Grant Savage, City Attorney Brandon Shelby (arrived 8:01 p.m.), Public Works Director Gary Machado, Fire Chief Mike Sheff (arrived at 7:03), Fire Division Chief Joe Flowers (arrived at 7:03), and Police Chief Richard Brooks

PLEDGE OF ALLEGIANCE

AMERICAN PLEDGE: Finance/H.R. Manager Grant Savage led the pledge.

TEXAS PLEDGE: City Administrator/City Secretary Patti Scott Grey led the pledge.

PUBLIC COMMENTS The City Council invites any person with business before the Council to speak. No formal action may be taken on these items at this meeting. Please keep comments to 3 minutes.

Sheryl Burk, 6806 Estados Drive, said she had “Call Before You Dig”/811 come out and mark the bar ditch to her driveway. A small backhoe could dig out her ditch and smoothed, so rainfall and other water can drain properly. Ms. Burk indicated her neighbor filled in his ditch and it now flows out to Lewis Lane. She asked the City again to do ongoing maintenance on her property.

Terry Lynch, 5809 Middleton Drive, related her concern regarding the continued use of BrooksWatson & Company, LLC for two (2) additional years of audits with a proposal from other auditors. The City has used auditors, BrooksWatson, for seven (7) years and it is recommended auditors change periodically. Although Ms. Lynch said she understood the main reason staff recommended the auditors continue for another two (2) was to get through the software conversion for one budget year to another, so she understood and supported the reasoning behind the recommendation. She urged City Council to take the matter seriously and bid it out in the future.

Donna Bradshaw, 16 Carey Lane, spoke briefly about a 4” waterline leak along Country Club Road. The waterline leak was growing and now it surrounds the home and its foundation. Ms. Bradshaw said she needed help resolving the issue at 2457 FM 1378; the home uses Parker waterlines even though it is in the City of Wylie. (See Exhibit 1 – Donna Bradshaw note, dated September 3, 2019.)

Tom Macduff, 4313 Sycamore Lane, showed City Council an article on Airbnbs. (See Exhibit 2 – An article titled “The Airbnb Hotel Next Door” by Masada Siegel from the Wall Street Journal, dated September 2, 2019.) Mr. Macduff said there was an

Airbnb on Sycamore Lane, affecting his residential community, and he would like City Council to read the article and consider how Airbnbs affect the City tax revenues.

Rick Debus, 5007 Dublin Creek Lane, said he was a new Parker resident. He noted the music from Southfork Ranch Labor Day weekend was extremely loud and played well past 10 p.m. Mr. Debus said he reported the disturbance to the Parker Police Department who advised him they were trying to resolve the issue. Mr. Debus said on another note, using the same auditor, one familiar with the accounts and transitioning to new software, was a wise choice, making the conversion run more smoothly. Finally, Mr. Debus stated he would like to get more involved with our City and offered to serve wherever he might be of assistance.

ROUTINE ITEMS

5. FUTURE AGENDA ITEMS

UPDATE(S):

- HOME RULE CHARTER COMMISSION (HRCC) [SHELBY]

City Attorney Shelby noted the HRCC would meet on Monday, September 23, 2019, at 7:00 p.m. to continue discussion on forms of government.

- DRAINAGE [MEYER]

Councilmember Meyer said our subdivisions have open bar ditches and need maintaining. Most residents are not aware they are responsible for the maintenance of their bar ditches. The City needs to educate and find solutions to assist their residents. Ms. Meyer said the Poco Estados and Moss Ridge Subdivisions appear to have the worst problems. Some culverts are too small and/or have inadequate water flow. Culverts are buried, insufficient size, and are not being maintained by the homeowner. Ms. Meyer indicated there had been a problem with the Oncor easement runoff in the Extraterritorial Jurisdiction (ETJ), which has been resolved. Again, a solution or plan needed to be developed to avoid future problems caused by the undersized culverts.

Many of these undersized culverts were added before the subdivisions were in the city limits. Ms. Meyer said there is no quick fix, but the City needed to educate its residents and assist in finding solutions.

- **PUMP STATION [OLSON/MACHADO]**

Public Works Director Gary Machado said this was an ongoing project. Although it may have been on the “back burner” in the past, it is becoming a priority and will need to be addressed in the near future, so City Engineer John Birkhoff has been reviewing the plans and working on the design.

- **COMPREHENSIVE PLAN [SMITH/OLSON]**

Mayor Pettie noted Councilmember Smith planned to address this issue but was unable to be at the meeting tonight due to a death in the family. City Administrator Olson indicated research is being completed on engineering firms, who specialize in Comprehensive Planning, assembling basic information so we can include the proper information in our Request for Proposal (RFP) early next year (2020).

Mayor Lee Pettie asked if there were any items to be added to the future agenda. Hearing none, she encouraged everyone to email her any requests. The next regularly scheduled meeting would be Tuesday, September 17, 2019.

EXECUTIVE SESSION - Pursuant to the provisions of Chapter 551, Texas Government Code, Vernon's Texas Codes Annotated the City Council may hold a closed meeting.

Mayor Lee Pettie

ATTESTED:

Patti Scott Grey, City Secretary

Approved on the 17th day
of September, 2019.

Mayor and Council members,

In March of this year my father, Bobby Mitchell, property owner at 2457 Country Club Road reported a leak to the City of Parker, after several calls over the next several weeks, someone finally came to check it out. He was told that it was not city water and not a responsibility of the city's because no chlorine was detected. The amount of water kept increasing and pooling in an area that water has never in 30+ years accumulated on his property. My father continued to call City Hall....eventually the leak was acknowledged and fixed sometime in July. Shortly after the leak was fixed, more wet spots began appearing. My father began calling City Hall once again without return phone calls.

The wet spots continued to grow. My father called Mr. Machado and left messages. My father eventually talked to an employee named Kathy, she assured him that someone would call him back and she would log the leak in her system. Mr. Machado called my father back the next day and told my father that he would come out and check the situation. My father waited for Mr. Machado, who left no indication that he had been to the property, there was no knock at the door or note left. My father wanted to point out the severity of the problem. My father called Mr. Machado back that afternoon and Mr. Machado said he was out to look at their property and acknowledged that he did in fact have a leak. What Mr. Machado did not see is that the water has seeped under the foundation and is now surrounding the house and pooling in the back yard!! In fact, in the morning before the temperature rises there is water on my parent's back patio. This is from the leak at the street in the front yard! Mr. Machado had no answer for my father as to when this leak will be resolved. Frustrated, my father went to the City of Wylie, the City of Wylie called Mr. Machado and was told that it would be 2 to 3 weeks or more before they could get out to fix the problem. Frustrated completely at this point, my father called "Bobby", a Public Works employee, who came over almost immediately and did acknowledge that there are multiple leaks! This is not acceptable. My father has been extremely patient in dealing with this situation. My father needs an answer and solution as to when this leak(s) will be addressed. Please call me at 972-743-4336 or my father at 972-442-5693.

Please see the attached photos.

Thank-you,
Donna Bradshaw

The Airbnb Hotel Next Door

By Masada Siegel

Becoming a homeowner is part of the American dream, and after three years searching, my husband and I found a fixer-upper in a quiet Scottsdale neighborhood. Unknown to us, however, the house next door was a short-term rental, an Airbnb that can host more than 16 people.

An optimist, I thought it would be a way to meet interesting people. Then reality set in.

It's known as "the party house" for good reason. A party it is, day and night, from screaming kids in the pool at dawn to buses arriving to pick up a rowdy wedding group. Short-term rentals are usually filled with vacationers for whom every day is a celebration. This is no exception. There have been dozens of late-night, loud, drunken festivities filled with

foul language. One group smoked so much pot, the smell was overwhelming in our front yard.

Another visitor arrived with a large group of men. He got so drunk he wandered into the wrong house—the owner had left the door unlocked—and passed out. He's lucky he didn't get shot for trespassing—many of my neighbors own guns.

Short-term rentals, a boon for travelers and landlords, make life hard for homeowners.

Fourteen women once arrived to celebrate a bachelorette party. Three banged on our door several times to borrow household items, which they never returned.

The party house isn't alone. Across the street is a

second short-term rental, and there are several more within five blocks. It's disruptive to the many families with young children who bought houses in the neighborhood looking to set down roots.

In 2016, Gov. Doug Ducey signed a law known as the Airbnb bill, which severely limits local regulation of short-term rentals. The only restrictions it allows are for safety, noise, parking and neighborhood nuisances. Even these are poorly enforced. While Scottsdale law mandates only six adults and their dependents can stay in a short-term rental, you will find all over Airbnb's website houses boasting rooms for far greater numbers of people. Before 2016, Scottsdale prohibited rentals of fewer than 30 days in residential neighborhoods.

According to All the Rooms, a company that analyzes Airbnb data, in July 2019 there were 3,026 Airbnb rent-

als available in Scottsdale and the adjacent town of Paradise Valley, with a 40% occupancy rate. These rentals generated \$5.3 million in revenue. How can they not be viewed as unlicensed hotels? I didn't sign up to live next to a hotel.

In May 2019 Mr. Ducey signed another law, with a few more restrictions. Owners of short-term rentals must provide cities or towns with contact information and respond to complaints in a timely manner.

While the owner of the neighboring house has great reviews for being prompt and attentive to his guests, he is unresponsive to my concerns. He told me in one year he raked in more than \$100,000 from this property. That's quite a return, but his neighbors paid the price.
